Profiles

🐙 ryottmp3
GitHub

Skills

Data Analysis	Python 3
Collaboration with Others	Proficiency in Research
Attention to Detail	Linux Sysadmin

Interests

Physics	Music
GNU/Linux	Open Source

Certifications

General Laboratory Safety
Certification
SD Mines

Publications

The Cave Chronicle

6 installments of a monthly
magazine

SDYA Legislative Recap
July 2023

🌐 <https://sdya.org/zines>

Languages

English	Lakota
Native Speaker	Beginner

Open source advocate and Linux system administrator with a background in data analysis and particle astrophysics research.

Experience

South Dakota Mines

Undergraduate Jan 2022 - Present
Researcher/Lab Assistant

🌐 <https://www.sdsmt.edu>

- Write and implement code aiding in the search for Dark Matter
- Perform Data Analysis on Radon Emanation and Mitigation Systems
- Sub-contracting on assay work for the LZ and SuperCDMS Dark Matter Experiments
- General research and maintenance work in a particle physics laboratory
- Collaborate with fellow researchers across the globe

The Cave Collective

Audio-Visual Jan 2020 - Jul 2022
Specialist/Youth Board Member

- Plan, record, and edit the "Story and Song" Series of Video Podcasts
- Manage audio-visual communications in a live setting
- Create and manage visual media for the non-profit's social media accounts
- Spearhead the Cave's magazine, the Cave Chronicle
- Attend Board meetings and collaborate with coworkers

Education

South Dakota Mines

Particle Astrophysics

🌐 <https://www.sdsmt.edu>

Aug 2021 - Present
Bachelor's Degree

- General Study in the field of particle physics with a focus in Dark Matter.
- Currently a part-time student with an undergraduate research position.

Projects

South Dakota Youth Activism

Director of Publications

Feb 2023 - Aug 2023

🌐 <https://www.sdya.org/>

- Organized and Managed a team of volunteers to create and publish magazines, posters, and brochures
- Negotiated prices with printers

Volunteering

Rapid City

Gutter Shows

Promoter

Jun 2021 - Present

- Social Media Management
- Manage live music events
- Network with artists in both the local and national music scene
