This is a receipt of your application for a Social Security Number (SSN) card submitted on January 18, 2024. Please allow 5-7 business days for your application to be reviewed. You will receive a notification (text, email, both) with the status of your application once this process is complete. If your request is approved, you should have your card in about 10-14 business days.

If you do not receive your Social Security card within 10-14 business days after you receive the notification, please contact us. Please have this receipt available. To protect your privacy, we will not disclose an SSN over the telephone.

The Social Security Administration is required by law to limit replacement SSN cards to three per year and ten per lifetime. Do not carry your Social Security card with you. Keep it in a safe location, not in your wallet.
